Thought Force Topic: Rename Web Coordinator

Background Information: Coordinator is involved in more technology than just website maintenance. World Service Conference has been discussing process of Technology Coordinators for many years (see WSC Summaries).

Historical Information: Constantly evolving technology and Area attempting to keep up. Coordinator position important to have technology voice on Panel and to assist Area members in learning and embracing new communication tools

Financial Information: No financial impact.

Charge of the Thought Force: Brainstorm ideas about changing the name to Technology Coordinator. Use the Service Manual if necessary.

Five KBDM Questions

1. What do we know about our membership's needs, wants and preferences that is relevant to this topic?
*   Keep it simple
*   Inclusive, Tradition 1
*   There is more than just a website
*   Technology changes, we should move a bit to be flexible.

2. What do we know about our resources (finances, member participation, etc) that is relevant to this topic?

*   No financial impact
*   Member impact supported by other Coordinators
*   Not sure if any hardware or software purchases are necessary

3. What do we know about the current realities (membership, culture, etc) and our fellowship's environment (technology, geography, demographic, etc) that is relevant to this topic?
*   none
*   would like to see the ability to register online for Assembly

4. What are the ethical implications of our choices – what are the pros and cons? Will our decision be consistent with our spiritual principles?
*   no cons
*   encompasses all technology
*   we need new guidelines and position description

5. What do we wish we knew, but don't?

January 21, 2015
Thought Force held February 7, 2015. Motion made and passed to change name.

- will net neutrality affect our website?
- What is in the future?
- Need a class on software use!
- Do other Areas have Technology Coordinator?
- Make the change and keep growing
- Simple to do
- Suggestion : make a motion
