△ 26th ANNUAL △

North Florida Area AFG
2015 Convention

Taking Care of Business
The Al-Anon Way
Hosted by District 6

Highlights:

- Final total of attendees was 820!
- Our survey is now on the Area website at www.AFGArea9.org. Please visit it to give us your feedback that will help future Conventions.
- All unclaimed lost & found items were turned over to the TradeWinds hotel. They will hold the items only for 90 days after our Convention.
- The turnover meeting to 2016 will be on Saturday, October 24th. We have also invited previous Convention Co-Chairs to that event so they can share their experience, strength, & hope.
- Today we return to North Florida Area the seed money in the amount of \$3,000. After we receive a refund from the hotel, reconcile all pending expense reimbursements, & host a turn-over meeting with District 3 we estimate we will present North Florida with a check in an amount over \$10,000. Eva, our Convention Treasurer, will put together a financial closing report once this is complete. We will close our books by mid-December, if not sooner.

With gratitude in service taking care of business – the Al-Anon way,
