

DR 11 Fall Assembly Report

Greetings

We continue to remain active in D11. We have very active AA liaison co-chairs that keep us informed of upcoming events to which we are always invited to participate. We still have 2 open chairs but 2 members have expressed interest in them Alateen and Archives. We will be discussing having a fellowship get together as opposed to a meeting in November as it falls on the Saturday after Thanksgiving, otherwise no meeting til Jan. We have asked the GRs to s/w their groups about holding a Gratitude "Thing" in Jan as we did last year given the success of the event. We are planning a district garage sale to augment our Treasury. Looking forward to continued growth in the new year.

Hugs Susan
