

District 1 Report-August AWSC 2016

Greetings!

New User-friendly Website:

Our new District 1 website is in operation, sharing the experience, strength and hope of the program and bringing in new members. It is easily readable on Smartphones as well as home computers. We are finding it is easier to make revisions. If you are interested in viewing it, go to tallyalanon.org. We will be happy to share how we set it up.

Sharing the News from District, Area and WSO:

We continue to spread the news about the joys and benefits of service and activities at all levels. In addition to the tri-folds on Group Service we have a new tri-fold entitled What's Happening! The three sections are entitled DISTRICT, AREA, WSO and clear plastic sleeves are attached in which current flyers can be placed with the latest activities.

Area Service:

If you missed the spring Writers' Workshop, here's another opportunity! District 1 is hosting another Writers' Workshop. All are invited! Come try your hand (and heart) at sharing your experience, strength and hope through the written word for possible publication in Conference Approved Literature. Pat A and Jill O will be chairing and it will take place at 3965 Bellac Rd. in Tallahassee, October 22, 2016 from 1-5pm. The flyer will be coming your way electronically and there will be hard copies at AWSC. Contact Susan R at dr1@afgarea9.org to sign up. Call 850-566-4552 with any questions.

District 1 has the pleasure of coordinating the 50-50 Raffle and the Raffle Basket fun at the 2016 Convention. We look forward to seeing everyone there and providing an opportunity to give to AFG Area 9 through this service opportunity.

Yours in Service,
Susan R.
District 1 Representative
