## 1. DR/AISLs Schedule Trainings Now for First Quarter 2018

Please all DR/AISLs work together now to schedule one or two AMIAS trainings per District for first quarter of 2018

Work with your Alateen Chair and a local Trainer to put something on the books *before* the holidays get you busy.

A training can be held before/after your district meeting, as part of a district event, at a clubhouse, a library or someone's home. It can be done in as little as two hours or make it more inviting and productive by including a potluck and/or a panel discussion.

The schedule can be posted on the Area Alateen website so everyone interested can attend a convenient training.

## 2. Reaching Out

### A. World Service

There are new PSAs for AFG/Alateen: <https://al-anon.org/media-kit/public-service-announcements/>

If you would like a copy to broadcast on your local TV or radio station, please contact us at [wso@al-anon.org](mailto:wso@al-anon.org) attention: Alateen, or at [757\) 563-1600 x1668](tel:7575631600).

### B. Georgia Alateen Conference: A Puzzle of Different Pieces

Because there was no Florida Alateen Conference this year, five Alateens made their way to the 3-day Georgia event.

It was a long drive, but no worries, they kept themselves entertained.

The Conference was held deep in the woods. There were dozens and dozens of kids!

New friendships were forged and a great time was had by all.

### C. Area 9

**Convention:** Remind your members that District 5 has a wonderful day of fellowship lined up for our next generation

**Conference:** District 10 invites you, your Alateens and your AMIAS friends to help with Conference 2018!!! Please contact Nick R <[alateencon2018@afgarea9.org](mailto:alateencon2018@afgarea9.org)>

### D. Local School Health Fairs

In case you had not heard, District 8 has been making great use of the Public Outreach banners and tablecloths.

They have been carrying our message of Hope & Help to local **schools** in English and Spanish.

### 3. Didja Ever Wonder

Did you ever wonder how much space is needed to be an Alateen Coordinator or AAPP?

For this Panel, the Coordinator info fills one 2" binder.

(We really need a Coordinator 🙄)

And the AAPP forms fit into one 4" binder.

### 4. 12<sup>th</sup> Step work to the next generation

How is it going?

What have you organized for older and/or younger kids?

Worked with a District or Clubhouse birthday party, picnic or other event to be sure kids and families were welcomed?

Was it on the flyer? Did you feed and seed – invite them in to eat, hand out the Do's and Don'ts, maybe some slogan crossword puzzles or word searches? How about organizing a game? Announce get-togethers at Al-Anon *and* AA.

*Have you stocked your meeting with some Alateen literature?*

*It is great for adults, too – chair a meeting with some!*
