

District 10 DR / AISL Report
AWSC August 18-19, 2017

I can remember writing my first report, and cannot believe this is the last for AWSC. What a rewarding journey this has been.

We have been putting the word out about the up coming elections for a good part of this year hoping to build enthusiasm, and understand how important service is to recovery. Visting the Groups and talking about our new Panel 58, hopefully is letting everyone know *"Participation is the Key to Harmony"*.

The funds were available for our District to upgrade our webpage after we changed our phone service to bluetooth. Now there is space to post our job descriptions for the new panel positions for all to read.

Our current Panel members, the GR's, Chairs, are staying very busy. Knowing it is almost over we want to have everything ready for an easy transition. Our AISL, Colleen, makes sure we have all the websites and information available so we do not have to hunt for anything.

We have a workshop coming up this Saturday called "All Hands on Deck". Sounds like we are going to have some fun in our recovery that day.

We are going to have a Gratitude Luncheon in October. That is always a great time for fellowship and fun.

We are hosting the 2018 Alateen Conference, and have had our first meeting. Nick is doing a great job as Chair, and everyone has come up with some great ideas. But we need all the support we can get. You'll hear more about that at AWSC.

I have very mixed emotions with this sign off. I will be glad to see all of you at AWSC and will probably see most of you again at the end of the month at Convention. I shared with someone today that I will not miss the reports, but it was a small price to pay for all the recovery I have gained and all the wonderful friendships I have made.

"Participation REALLY is the Key to Harmony"

Nancy C District Representative Colleen M AISL
