

District 2 AWSC Report

We are preparing for the end of Panel 55. It has been a wonderful opportunity to serve and we are preparing the process to elect the next panel.

We will be holding a District Service Workshop at our District Meeting in September. There will be presentations about all positions, including the ever important GR position. We want to provide additional support like mentoring and alternative backups. Lunch will be served and we will proceed to have our elections. We have been getting the word out to our groups in an attempt to create enthusiasm. We are praying for a good turn out and to develop a well-informed prospective panel.

Our Gratitude Dinner will be held November 4th at the Methodist Church in High Springs. Information and flyers will be distributed as we get closer to the Assembly. The District Archivist continues his program to digitally scan our archives. He has been making great progress and the physical archive inventory has been reduced.

We have outreach projects in process. The Institutional Recovery Meeting at the Shands Vista Center has been doing well. Participation has been improving. The next step may be to register it is with WSO as a Newcomer's Group, for referral purposes.

The Alateen group appears to have a solid foundation. There are three primary members, with a small number who are less regular. The sponsors are looking at the best way to serve the different variety of ages attending.

It is with a sad heart that I prepare my last AWSC report. This panel has been a remarkable journey. I am excited to see what the new panel brings.

With gratitude for service,

Bob C.

District Representative
