

**AFG Area 9 Panel 55
Group Records/Registration Coordinator Report
ASSEMBLY – October 2017**

North Florida AFG Area 9 General Group Information:

ACTIVE Groups	367
NO MAIL/REPORTED NOT MTG	9
INACTIVE/MARKED FOR DELETION	<u>152</u>
<i>Total Number Groups in our Area</i>	528

Since last Assembly, we have added 8 NEW groups! Though there's been some shifting around, the NO MAIL numbers haven't changed at all. Groups that have been **REPORTED NOT MEETING** are **still at zero**, which is very encouraging! Unfortunately for every Bounced Email we clear up, another takes its place, so we are still at 10 Bounced Emails for Groups.

My wonderful District Group Records Chairs are working with me closely, however, to get all of these issues cleared up before the end of the panel. They all do really incredible work too!

Thank you Everybody!!!!

Our Area 9 Districts are just incredible! I have met the most incredible people all through North Florida and have truly blessed to work with the greatest Group Records Chair people ever! My Committee of 2 has been indispensable and so much fun! Thank you everybody from Panel 55...you are amazing!!!! We got so much great stuff done

And just a quick word to our GEMs...you truly are gems! I'm so glad we get such a sparkly name for you now. Registration can be so very hectic. I know it can seem like being thrown into chaos for 2 days, but you've all done so great...I hope you've had as much fun as I have.

Big Hugs!!!!
