

**AFG Area 9 Panel 55
Group Records/Registration Coordinator Report
AWSC – August 2017**

North Florida AFG Area 9 General Group Information:

ACTIVE Groups	363
NO MAIL/REPORTED NOT MTG	9
INACTIVE/MARKED FOR DELETION	<u>147</u>
<i>Total Number Groups in our Area</i>	<i>519</i>

The numbers this AWSC haven't changed much from those of the last Assembly, when we had a total number of 520 groups. **9** Groups have been temporarily removed from World Service Office web and telephone referral lines, due to **NO MAIL** status. Though the District Group Records Chair people and I continue to work on this issue, this is the same number reported at last Assembly. It seems that as soon as we adjust the info on one group, another pops up. Groups that have been **REPORTED NOT MEETING** are **still at zero**, however, which is very encouraging!

Of the **363 ACTIVE** Groups that are on the WSO web and telephone referral lines, **10 have "BOUNCED EMAIL"**, which means these groups are not getting their WSO monthly E-newsletter. This is down from 12 at the last Assembly and 21 at last AWSC. I'm hoping we get to ZERO one day soon!
