The convention has need for an Alateen Chairperson.. send me an email if you are an AMIAS and willing to get involved in this amazing convention.

The Convention Committee ran the logo by our Delegate to ensure that the AI-Anon Symbol trademark was not altered in any way. The publicity chairperson then created the IMAGINE logo.

According to the Area Charter, the Convention Chairperson becomes an Ad Hoc Member of the Board of Directors (BOD) for the period of time he/she is Convention Chairperson. This is primarily due to contractual and financial obligations that the Convention has with respect to the business of AI-Anon, Area 9. I will represent the Convention on the BOD for approximately one year. This is a new role for the Convention Chairperson and I embrace the opportunity.

Since the 2018 Fall Assembly the following has taken place:

- 2018 and 2019 Chairs met for turnover meeting where each of the 2018 chairs turned over a jump drive to the 2019 corresponding chairs. TECHNOLOGY no heavy binders.
- Registration for the convention, box lunch and banquet ticket and hotel reservations are up to speed. Our treasury has funds to meet our needs. REGISTER EARLY

Drafted program schedule and finalized the workshop packages to be assigned and distributed at AWSC to all districts.

Prepared Raffle flyer, Hospitality flyer and Boutique flyer for distribution to districts at AWSC

Prepared the program for the Serenity room and distributed flyer at AWSC.

Spanish program and AA program are ready to meet the diverse need of our fellowship.
