

District 3 Report to June, 2021 Assembly

District Representative Report

District 3 in Baker, Clay, Duval & Nassau Counties and Ponte Vedra Beach is doing well! We are steadily filling our open positions on the panel with two more possibly to be filled at our next business meeting.

Our groups are gradually opening for face-to-face or hybrid although some are choosing to stay on Zoom for the time being. Our Where & When Chairperson and Technology Chairpersons are super busy keeping up with the frequent changes in meeting status. They do a great job keeping the Find-A-Meeting page on our website current as to which groups are meeting, how they are meeting, what protocols are in place for face-to-face and any Zoom numbers and contact information needed.

Since the last Assembly, we have added a new meeting and we are excited that a new Alateen meeting and a Spanish meeting are in the planning stages!

We are looking forward to our next Fun Day in July! As the Florida State AA Convention is in Jacksonville at the start of August, we are working on plans for Al-Anon participation including hosting the Friday luncheon, Hospitality, Al-Anon workshops, and members to share Al-Anon readings when there are speakers.

I don't know about you guys, but I'm delighted that I might see some of you face-to-face at our 2021 Florida North Al-Anon Convention! Serenity rocks!

Kathleen Lund
District Representative
D3, Panel 61

District Information Service Liaison (DISL) Report

All of our Public Outreach positions have been filled. Packets with our public outreach magnets, bookmarks, and instructions for distributing them were handed out at our March Fun Day. We also have placed some outreach magnet bags at our Literature Distribution Center for customers to distribute.

Pam Robbins
District Information Service Liaison
D3, Panel 61
