

Hello Florida North Panel 61

Here we are at our second and last AWSC of the first year of Panel 61. How exciting this experience has been and how intriguing to see what the next year will offer to the Florida North Area.

During the past month after our June Assembly, as your Delegate, I have been participating in a Task Force created by the WSO, Encourage Service. On this Task Force, I have been working together with other Delegates, Trustees, and some members of the World Service Office. We are meeting via Zoom every two weeks to put together our ideas for our report due in September 2021.

As a member of the Southeast Region, and as your Florida North Delegate I will be participating in the next SERDGT that will take place in San Juan, Puerto Rico, in March 2022. The Puerto Rico Delegate asked me to help her with the organization of the SERDGT and we have been working on many details. We are looking forward to having a Trustee as a speaker at that meeting.

The WSO is putting together a virtual meeting when they will give an update of what has been done after the last virtual WSC in April 2021, when the motion to create a non-geographical area passed. The meeting will be attended by all the Delegates and CMAs of the electronic meetings. At this moment we still have not been informed of a date when this meeting will take place, but originally they offered a date of late July or the beginning of August. I am looking forward to attending this meeting.

A Thought Force was created by our Chairperson, Elsa C., where we will be putting together ideas related to how the Florida North Area will handle the integration of non-geographical groups into our area in the future. I will be the Chairperson of that Thought Force, and I am looking forward to working with the group of members assigned to it.

1st Delegate's Virtual Workshop - Encourage Service!!

This is a 2 ½ hour Workshop using the Twelve Concepts of Service. The Workshop was presented at the 2021 World Service Conference and now I will like to bring it to all the members of our Area 9. I will be available to bring the Workshop to the Districts starting in August and continue during the rest of 2021.

RESERVE YOUR DATE!!

More information will be presented at the Area 9 AWSC, August 2021.

Thanks for giving me the opportunity to serve as your Delegate!

Evelyn T.
