

AUGUST 7, 2021 AWSC GROUP RECORDS REPORT

GREETINGS ALL

Wow our 1st Panel 61 AWSC. I remain humbled and honored to be your Group Records Coordinator.

Changes are Happening

The Electronic Area is moving forward as a Separate Entity.

If a meeting remains "Hybrid" it will remain part of our Area, but Strictly Electronic meetings will be transitioned into the Electronic Area.

As of today we have 417 active meetings.

I do expect this number to reduce with the changes.

Update challenges persist for various reasons. I continue to work with the local district coordinators to keep records updated. However updates are constantly, sometimes daily, evolving.

Hugs, Yours in Service
