This year we decided to try something a little different of having all the districts play a part in planning and producing the 2022 Alanon Convention. I am honored to have the opportunity to work with so many amazing talented individuals, that I like to call my Alanon Family. We are hitting the ground running to make this coming convention a weekend to remember. We had two virtual committee meeting this past month and a virtual turn over meeting.

More information will be revealed soon please visit our website at <http://convention2022area9.org>
