

Area 9 - District 13
Alternate DR Report
Fall Virtual Assembly – October 1 - 3, 2021

Greetings from District 13. I am Vince S. the Alternate DR for District 13. Currently the district continues without a DR. In addition to a vacant DR position several other key positions currently stand vacant or the responsibilities of those committees being filled in by other trusted servants.

District 13 covers Southern Sarasota County, Charlotte County, Desoto County, Hardee County and the barrier island Boca Grande. While we currently have no active groups in DeSoto & Hardee Counties, we do have 28 active meetings weekly within the district including 3 active Al-Ateen meetings.

While a few groups have resumed face to face meetings the majority of groups continue to meet virtually via Zoom. District meetings are currently via Zoom but we are hoping to move towards a hybrid (face to face + Zoom) meeting format in 2022. Within our district we also have several non-geographic meetings taking place and we are excited about the discussion underway at WSO regarding the evolving status of these groups.

Upcoming District events include our Fall Picnic on October 23 in Englewood, FL and our Gratitude Luncheon on November 20 in Venice, FL

Thank you for allowing me to be of service.

Vince S. – Alt. DR. Dist.13
