

District 6 Report for Assembly

October 1-3, 2021

Hello Everyone:

Our District 6 has now resumed their district meetings face to face. We have recently gone to great effort to update our Where and When and eliminated our Temporary meeting list. We have contacted all GRs or CMAs for our groups to make sure the information we have is correct. Our W & W is now a consolidation of zoom meetings, face to face and includes any safety instructions pertinent to COVID. It is available on our district website to view and download.

We are planning a Gratitude Luncheon on October 23 at the First United Methodist Church in Tavares. The flier is on the district 6 website along with the registration link. The flier is also on the area website. All AI-Anon members are welcome to come.

We glad to announce that wenow have our Group Liaison (north) position filled. And expect to have the three remaining unfilled service positions filled soon.

We had a very good turnout of district 6 members attending convention. Everyone attending convention was very enthusiastic about it and enjoyed the fellowship and healing that convention provides

Respectfully,

Gwen S, DISL D6
