

**District 10 Area 9 Panel 61**  
**AWSC Report January 28-30, 2022**

Hello Panel 61 members,

We are looking forward to seeing our members we have been in service with previously, and all the new members attending AWSC.

We have made many changes in our meetings in District 10 because of Covid. Because of our long absence from some of our meeting locations we either lost the room entirely, or our group was moved to another location in the building. Our meeting list chair has been awesome at keeping up.

Before Covid, we had twenty four meetings a week including two Alateen and three Spanish, we now have eighteen meetings, and no Alateen. Our three Spanish meetings are all meeting on Zoom only. The remaining fifteen District 10 meetings have two Zoom only, four in person only, and nine Hybrid meetings.

We hold our District 10 business meetings on the odd months of the year, and on the even months we have a workshop at the same location. So speaking of workshop, on **February 12, 9:30am to 12pm**, we are hosting **Delegate's Virtual Workshop Encourage Service!!!** Let's see what the Concepts can teach us about service, in meetings, at home, and in our workplace. Join our Zoom meeting. Meeting ID: 844- 1701-5772 Passcode: Delegate

Hope you are staying warm, well, and enjoying much Serenity.
