

Assembly Report
District 6
June 24-26, 2022

- District 6 is meeting face to face and enjoying the fellowship of Al-Anon while taking care of our business affairs.
- We have recently updated our District 6 service job descriptions and have this posted on our website along with our reimbursement form and the new service manuals well as other website conveniences.
- We are continuing a study of the Concepts at each District meeting led by Diane C and have just finished Concept 8.
- We have a committee working on a presentation for Red light/Green light for our Assembly.
- On April 30 we had a workshop, “2022 Day of Empowerment”, with 77 in attendance. It was a wonderful event, our first since Covid, with AA and Al-Anon speakers, workshops, and raffles.
- We have graciously had volunteers step up for all five of the Convention workshops assigned to D6.
- We still have an open Public Outreach Chair position. Jan F. from D10 came and spoke passionately about her work in this position. Our GRs voted to share the cost and duties of a table with D10 at the Florida Behavioral Health Conference, August 17-19.

Respectfully Submitted,
Gwen S., DISL
Pat E., DR
