XXVII AI-ANON US NATIONAL CONVENTION FOR ADULT CHILDREN OF ALCOHOLICS

Last April, for the first time, we hosted this magnificent annual event in the city of Miami, At the Marco Polo Beach hotel, I had the opportunity to be part of the Committee as Publicity Coordinator, a wonderful experience of learn and growth.

I also deeply appreciate the support and participation of the members of the Area 9: Romelia S. (Tampa) and Angeles (Orlando) for their wonderful service in Hospitality .

We enjoyed a spiritual weekend full of strength and hope, thanks to each of the members for their participation.

In this hybrid event the results were incredible with 380 people registered, members from 23 states and 8 countries visiting us and an attendance via zoom of approximately 1000 people with simultaneous translation.

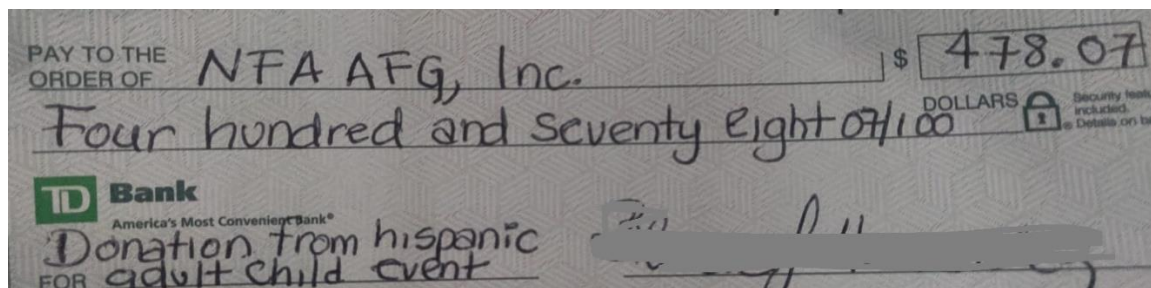

This convention in Florida was #32 made history by having the largest attendance ever.

We invite you to participate in the next Convention in Washington 2023 in the city of Seattle.

Our last committee meeting was on May 21, in which it was unanimously agreed and following the guidelines to distribute the remainder of the event to send the following donations:
