

District 3 Report to June 2023 Assembly

District 3 covers the counties of Baker, Clay, Duval, and Nassau as well as Ponte Vedra Beach. We have 28 groups making up 40 meetings each week that include one Spanish meeting and now THREE Alateen groups! Yes, we have added another! 28 meetings are face-to-face, 8 are hybrid, and 4 are Zoom-only. For now, we are steady at 14 Group Representatives.

Alateen has truly taken off in District 3 since our Alateen Trainer, Phil, joined us! The Family Information Nights have been useful for creating interest and reassuring the parents that their children will be safe. Hearing an Alateen from one of the other meetings share her experience, strength, and hope at these events has been truly inspirational. We are thrilled to be hosting the Alateens at the Deer Haven Conference and Retreat Center in Paisley in August.

At the Florida North Al-Anon Convention in August you will see District 3 members in blue vests again, ready and willing to help you as the Sergeant at Arms Committee!

In preparation for our panel elections in November, our July Family Fun Day will feature a workshop with stations to visit with displays explaining each District position and a representative to answer questions.

Also in November, we will be manning a public outreach table at the Southeast Symposium on Addictive Disorders in Ponte Vedra Beach at the Marriott Resort at Sawgrass.

Kathleen L.
