

District 9 DR and DISL report for July 2023 AWSC

District 9 has 13 active groups; of those active, 2 groups do not have a GR, and 4 groups are hybrid. One group meets face to face and is currently on hold until September 2023. District 9 is holding face to face district meetings, with wonderful participation. Our district openings: Archive Chair, and Alateen Chair and Public Outreach chair for District 9 south (Highlands County).

Our last District meeting 5/27/23 was very productive. Each GR discussed their groups and group inventories as well as discussing future district officer job duties. District officer and chair positions were emailed to the GRs to discuss with their groups for possible candidates to stand for upcoming new panel 64 district positions. Our next district meeting is on 8/5/23. We have a full agenda with voting procedures and any convention information. Upcoming district Events as well... in October we will be having a Gratitude Luncheon, a fundraiser for the district and our last hurrah, our end of the year Holiday party, a fundraiser as well.

A shout out to our groups in District 9, they celebrated with their corresponding AA groups' meeting anniversaries. Our district has also had various meetings with invited speakers sharing their stories.

Again, as our District is moving forward and growing, our members are still stepping up for service. "They got busy"! We are getting excited about participating in the 2023 Convention. We have the "Registration" service position, and Jean W. is the Chair, and the co-Chair Susan S. And... Nita and Ray are together going to be the Raffle chair and co-chair of the raffle for the 2023 Convention. Diane B. is also the Web Tech for the 2023 Convention.

As always, our district is "keeping it simple" and allowing our higher power to guide group autonomy and district participation.
