

Group Records Report Assembly October 13-15, 2023

I can't believe that Panel 61 is almost over. What an honor and privilege it has been to serve as the Group Records CoOrdinator for North Florida. This is such a rewarding position to have. I have been blessed with a wonderful group of Local District members to assist in keeping records up to date. The advent of E meetings including and GEA has been trying to say the least. I get updates from WSO indicating an E meeting is registering and I can download a spreadsheet with the E meetings listed. However I can't adjust anything on these. I have also found that WSO has sent me data on E Meetings that have not shown up on the WSO site and are not hybrid or f2f meetings. MTBR I hope.

As of 10/11/23

we have the following F2F meetings

334 Active

168 Inactive

11 NO mail

1 Reported not meeting

E or GEA Meetings

16 Active E meetings

1 Inactive

1 NO mail

Thank you again for the honor and privilege of serving in this capacity for this awesome panel.

Hugs and much love

Susan
