

8/19/16 AWSC District 11 DR Report

Greetings Area 9

District 11 has had some positions changes and remain w 2 open positions AISL/Public Outreach and Alateen. We have enthusiastic members filling spots as they come open - new Literature, Group records, AA-liaison, Archives. Our Alateen meeting has closed. We have 1 meeting being revived and 1 new meeting that hopes to have an Alateen meeting at same time and location.

We held a day of workshops 6/25. It was a day of fun, fellowship and growth. We had phenomenal attendance. Raffle baskets, 50/50 and of course food galore.

I personally am humbled and honored to be the DR for this group of wonderful people. I am blessed w the support of past DRs and members that remind me I don't have to do it all.

We are planning a district garage sale 10/15/16.

We are looking forward to Convention and Assembly

Hugs
