

AWSC February 2019 Alateen Report

From AAC, Area Alateen Coordinator, Charon, alateen58@afgarea9.org

Action is Attraction – There is No Growth in the Comfort Zone
L'action, c'est l'attrait – Il n'y a pas de croissance dans la zone de confort
La acción es atracción – No hay crecimiento en la zona de comodidad

If you have any question about Alateen or Alateen Events please reach out to the Alateen Coordinators.

I have been very involved with multiple Conferences, Round Ups, Alateen programs at Conventions, fundraising, outreach and co-sponsoring a meeting with a number of Alateens active in service. I can also answer questions about the Area processes, policies and procedures and will happily point you to the person who covers a responsibility if it is not about Alateen.

2019 Alateen Conference June 14-16

Erika and the District 8 Alateens are planning a great event

Plan to Stand – Yes, Alateen NEEDS you to stand at this AWSC as there is only 1 Assembly this year

2019 Alateen Round Up

2020 Alateen Conference

2020 Alateen Round Up

When we joke with the Alateens about stepping up to serve, we say

if you start bleeding from the eyes or ears then you can step back.

They have all stepped up, and so far, no blood, and we all laugh at our fears.

If they can do it, surely you can, too.

Step out of your comfort zone. Do not be afraid.

You will have plenty of support from the Alateen Coordinators and AMIAS

Being an AMIAS

Being an AMIAS is about getting the Al-Anon Family Group message of recovery to the younger generation.

This is best done by **sharing** experience between **new** and **seasoned** AMIAS, between Districts **with** and **without** Alateen meetings, and between those that **have** helped with functions and those that **might** consider getting involved.

Yes, a couple times a year we may be personally inconvenienced to visit another district.

Progress for the greatest number depends upon unity.

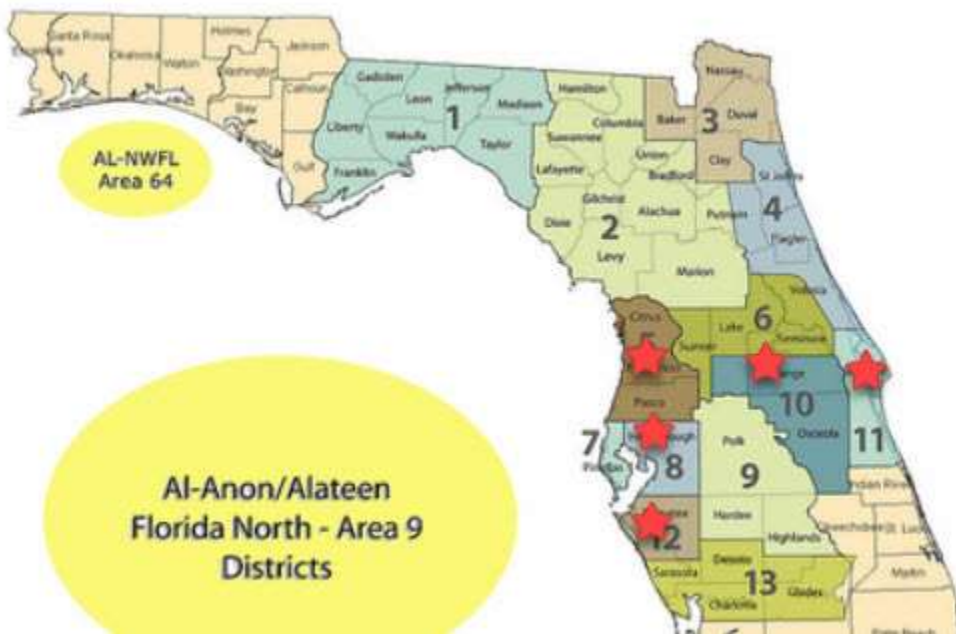

And as an AMIAS, I have seen progress, it is one of the great joys of my life

AMIAS Workshops

It is that time of year again where we get together to refresh ourselves on our safety and behavioral requirements and encourage working together to serve Alateen. Please check the calendar and map below then bring yourself and a friend to one of these sessions *or contact me to arrange another.*

Training/Orientation workshops are about more than reading slides
 The goal is to have everyone getting the **same information**,
 hearing answers to questions from those with **experience**,
 and meeting people that **inspire** attendees to do **service**.

Event with Alateen Participation

District 8 is once again participating with meetings and socials at SoberStock, March 15-17, 2019. Next to Alateen Conference, this is Cope With Hope Alateen's **favorite** event of the year. We would love to see you, your families and friends. You will find us close to the Oaks Fire Ring or out on the field playing with giant bubbles

You are encouraged to have and/or participate in events that include Alateen. Let me know if you have any questions about the service manual, policies or guidelines. Please share about your growth and fellowship with me.

Misc

- Be aware that WSO has a variety of free guidelines to help you, like Open Letters
