The Alateen form has been in use for over a year now. After processing over new 200 forms in the last 2 Annual Recertification's the response has been overwhelming positive with only 3 complaints since the form was posted.

Complaints

complaint about the form and did not like that it was annual.

did not like the CMA going out to the area and other AMIAS.

didn't like the CMA distribution or the background checks happening after the paperwork.
