Assembly – Sept 30 – Oct 2, 2016

It was great to see so many of you at our Convention at Daytona Beach. It is fun getting to know more members in Florida North and meeting up with old friends! I enjoyed staying an extra day to enjoy the beach.

[The Forum – Writing Workshops](#)

Since our last Assembly I have been to District 12 to hold a Writing Workshop during their District meeting. We sent a packet of writings to WSO and had a great time of sharing afterwards about the experience. While I was sharing with them, one of the things I mentioned was that they could have a Writing Meeting with their regular AFG, before, after or during a meeting. While I was at Convention a GR came up to me and she had been there that day and took that back to her group and they indeed had a Writing Meeting, with many positive comments afterwards. That was so exciting for me to hear.

Last Saturday I was invited to share at another District Meeting for District 6 and together we are planning a Writing Workshop for some time in the first quarter of next year.

On October 22, Pat A and I will be holding a Writing Workshop in District 1, Tallahassee. Come join us!! I believe there will be some flyers around this weekend with all the information you will need.

We have had 3 Florida North submissions to *The Forum* printed since our last Assembly. Check out the display board!!

[GR Orientation](#)

I forgot to ask two DR's to help me at Assembly with GR Orientation. Cindy to the RESCUE!! Cindy J. our Area Chairperson will be assisting me during that time. If you're a new GR or even if you have attended before and would like another shot of courage, come join us. Maybe you just have some questions you would like to ask in an informal setting, feel free to do so. That will take place Friday night in the Crystal Ballroom after the Fun Shop, around 8:00.
