

## Alternate Delegate Report

AWSC – August 19 & 20, 2016

Since we last were together in May for our Assembly, I have traveled to Sarasota and conducted a Writing Workshop in District 12, held during their District Meeting. We had some time after writing for sharing about the experience and so many members shared positive things that happened during that hour of writing. I'm glad to announce that we have had 20 more writings for *The Forum* and 1 more for the Daily Reader on Diversity, (and there still coming in)!! As I shared with District 12, I do not have to be present for you to have a Writing Workshop. I suggested to them that they could do this in their own Al-Anon Family Group, before, during or after a meeting. Just ask me and I will provide you with all the information and Guidelines you need. You can also get on the WSO website and send one in online, in the comfort of your own home, sitting in your recliner, in your underwear...if you want!! I had a great time with District 12 and they even took me out for lunch afterwards. Thanks Theresa for inviting me! I will come to **your District** if you ask and we can find a date that works into my schedule.

- Subscriptions for *The Forum* are increasing!! Has your AFG sent in their order form and \$11 to continue getting the Group copy?

Just a reminder to DR's, please bring a **Red Light Green Light** question with you to AWSC. I will be meeting with District 11 DR (Susan Metcalf) to pick 3 questions we will use and then we will need 3 Districts to volunteer to research the questions and present that research at Fall Assembly.

Looking forward to seeing everyone at AWSC and continuing our work in Area 9 together!!

**Participation is the key to Harmony**
