# AREA TECHNOLOGY COORDINATOR REPORT

AWSC AUGUST 2020

HELLO VIRTUAL AWSC!

How have you been doing during this pandemic?

300!

WE HIT THE MAXIMUM PARTICIPANTS LIMIT ON THE RECENT SPANISH SPEAKER ZOOM MEETING HOSTED BY AREA 9 & 10!

I was honored to be a Tech Helper & can't wait for the next one!

AL-ANON'S OFFICIAL MOBILE APP IS HERE!

ON FRIDAY, AUGUST 14TH, 2020,

I attended the inaugural "Friday Welcome Meeting" group in the app! It was a speaker meeting & with people joining from around the world, it was like being back at the 2018 International Convention! *I feel this will definitely take my recovery to the next level!*

Afterwards, there was a 1-hour Q&A session & I shared what I learned with all the District Webmasters.
