

**It seems confusing about Registering for Assembly and TEAM. How is that going to work? Can I just pay once for everything? Should I bring a check? What about a credit card? Can I get receipts?**

Yes, it really does some confusing when we are trying to do something SO different! You are not alone!

We will do everything we can to make the Registration processes clear, and fun and easy! We take cash, checks and Credit/Debit cards. We will try to have paper to give you a receipt.

Our Assembly Registration will look very familiar. Our Group Records Coordinator and the helpful Growth Investment People will be there to help you sign in on District Sheets, and get your name tags. We will have a table to pay the \$15 Assembly Registration with Credit/Debit cards.

In addition we will have Assembly Saturday Breakfast Tickets (\$10) and Assembly Saturday Lunch Tickets (\$15) for sale at the Credit Card table. And you will be able to purchase these meal tickets online and pick them up at Registration.

The TEAM Event will have a separate table with their own Credit Card machines and Registration process. They will sell TEAM Registration (\$20) and TEAM Saturday Dinner Tickets (\$20) and TEAM Sunday Breakfast Tickets (\$10).

All Meals (Assembly and TEAM) will be buffet style and be right there at the event location.

And, FYI, the 2017 Convention will also have a table selling Convention Registration and Convention items! So there will be a lot going on right there around the Registration tables!

Assembly Registration will close at 9:00 am on Saturday. This gives our Group Records Coordinator a chance to tally things up and get the numbers to the Chair so that the business meeting can proceed.

TEAM Registration will continue right up until 3:00 pm!

2017 Convention Registration will continue throughout the weekend!
