### 1. WHY Service to Alateen

To share the message and tools that helped us with HOPE, SERENITY and RECOVERY

### 2. HOW Service to Alateen

**Willingness** to grow through 12<sup>th</sup> Step work

**Read** the resources on the Area Alateen web page

**Attend** and **participate** in an Alateen Training/Orientation session (3-4hrs)

***Now you fully ready to carry information and invitations to all our meetings and members!***

To be an **AMIAS**, fill out the forms and follow AAPP directions. Once Certified for the calendar year you can now be directly responsible for Alateens at one time events, occasional or weekly meetings, or simply provide transportation.

### 3. WHEN and WHERE can I get this Training/Orientation?

***REMEMBER EVERY AMIAS MUST ATTEND A TRAINING/ORIENTATION IN FIRST QTR TO STAY CERTIFIED***

***Per WSO, we can not use the Alateen name if everyone is not recertified***

Attending **Feb 4** is highly recommended to meet the most folks with Experience, Strength and Hope but we also still have the first two weekends in March available if you want to invite us to come to you.

#### 5. Invitation from District 8 to Soberstock

District 8 invites you to a fabulous **family** event. Come for a day or tent camp for the weekend.

Contact me at 813 264 4734 for questions or if you would like to chair a meeting.

Soberstock.com 3-day weekend AA/Al-Anon/Alateen event featuring speakers, meetings, bands, food & fun.

“Al-Anon is often invited by A.A. to participate in recovery events. Almost from its beginning, Al-Anon has taken part in these events. Such participation often led to the growth of Al-Anon and an enhanced spirit of cooperation between both fellowships. While we remain a separate entity from A.A., we cooperate whenever possible. When Al-Anon participates in an A.A. event with speakers or workshops, these events may be announced at meetings, in our newsletters and on our websites” page 92 of the new Service Manual

#### 6. Chart

These flat lines are why we are testing a new format for training/orientation.

Lets talk. Let's get inspired. Let's reach out. It's about service to the kids
