

PANEL 58, CHAIRPERSON'S REPORT, JUNE 7-9, 2019 ASSEMBLY

It is so great to greet all members of Area 9, Florida North AFG, Panel 58!!! I can't wait to see you all at our Area Assembly for 2019, June 7-9, 2019!!

We are, believe it or not, halfway through Panel 58. It is really hard for me to wrap my mind around that. We have a stupendous Panel both Officers, Coordinators, DRs and DISLs who take their "trusted servant" responsibility with great care and sense of service to you the members and to Al-Anon both Area 9 and Al-Anon as a whole!! It's a great thing to observe.

We've had an exciting and productive year so far with many things accomplished and many things we are continuing to work on.

AWSC was held in February where we discussed many business items which will be shared with you during Assembly. One important note, our new Public Outreach Coordinator shared her vision as to where she and her committee will guide our Area.

We had our first formal Board of Director's meeting for NFA AFG, Inc. in March where the officers of the Area assume their "other" responsibility of being members of NFA AFG Inc.'s board which is a service arm of Area 9. We added three new members to the BOD; Technology Coordinator, AAPP Coordinator and during the term of the current Convention the Convention Chairperson as an Ad Hoc member. Our meeting was productive and we are in the process of developing Vision and Mission Statements for this organization.

You can see the summary of our Board of Director's meeting on our website located in "Chairperson's Nook", Chairperson's Letter, Number 1.

The Area finances are sound and our Treasurer will be presenting the 2020 budget at Assembly for the GR's approval.

Our Secretary is developing a great system for retention of Area records and documents making it so much easier for future Panels to easily access necessary records. In addition, placing these documents on our website for our members to gain access if needed.

The 2019 Convention is moving along extremely well and will be held in a venue that will enable our members to have fun, fellowship and, of course, heightened recovery through the workshops provided.

We have a number of active Task Forces being worked on:

Streamlining Alateen AMIAS Power Point Presentation

The DISL Position in Area 9

Update of Area 9 Election Procedures

Investigation of Possible New Venues for Area Meetings

Update of Area 9, Panel 58 Election Procedures

I've taken part in District 6's Day of Workshops and performed a District Inventory for District 4. Both were great experiences for me. Look forward to being part of the Area Service Workshop in October.

Our AWSC Meeting will take place in August and we will be holding our second Board of Director's Meeting in September.

All of the Events, ie: Convention, Alateen Conference, Alateen Roundup, Service Workshop are covered for 2019.

So, the Area is on very solid ground! We continue to strive to make your experience in service gratifying and productive for all our members with any help we can give you. Please feel free to contact me at any time to assist a District or Group in any way possible. I will be happy to do so.

Visit my "Chairperson's Nook" on our website to see any updated information or give me an "Ask It Basket" question. I love to get "Ask It Basket" questions.

We have an exciting Assembly planned and I so look forward to seeing you all there!!

It is an honor for me to be your Trusted Servant!!

Your Trusted Servant,

Diane C, Chairperson, Panel 58, Area 9
