## **Public Outreach**

District 10 has a very active Public Outreach (PO) team. D10 has been using Twitter to carry the message and posting D10 meeting information, followers are welcome.

In addition to our usual CAL delivery points (counseling & medical centers, the Orlando Bar Assoc., pregnancy centers, Oviedo & Sanford Library, Police, Fire stations, hospital and food pantries, within the past three (3) months Al-Anon Literature was delivered to 12 different centers and events. A meeting on wheels continues at a treatment center. D10 PO was invited to a staff meeting at another center within D6. We reached out to D6 and they will also attend. There are three (3) local health fairs D10 is planning to attend.

## **Alateen**

The Alateen Conference was June 14-16. The Conference continues to grow. There were 39 teens in attendance from Florida North and South Florida Areas. There were too many fun activities to list, but looking at the pictures the D10 Alateen Chair shared, attendees and AMIAS looked like they were having a great time.

## **Spanish Liaison**

D10 has 2 active and one inactive Spanish speaking groups. In June, new GR's for those groups were elected. Welcome Jackie, Solo Por Hoy GFA.

There are live phone meetings conducted in Spanish every Monday through Saturday at 9pm eastern time. If you are interested in attending, call 1-774-220-4000 Code: 148335
