

District 1 Report for Assembly

October 5-7, 2018

For the remainder of the 2018 we've planned a Gratitude Luncheon and a Workshop. The Workshop is titled "Finding a Sponsor" with three Area speakers making up our Panel.

We will also have a book raffle a little change from the norm.

Our very new Alateen meeting has taken off as were seeing an average of 5-6 teens per week. We hope to have people step up to become AMIAS and have a training soon.

It's so wonderful to see the parents drop off their teen and then join the AIAnon Meeting in the next room

I'm excited to report AIAnon is really growing in Tallahassee as we see more and more newcomers every week and were ready!

In Gratitude,
Adrienne
