

**DISTRICT 1 Report for Assembly**  
**June 7-9, 2019**

I am very excited to report the great news for District 1!

Our District Panel has expanded since AWSC in February 2019.

Our District now has an AA Liaison, Newsletter Chair, a new Secretary, and new GR. We have a total of 10 members coming to Assembly next weekend with eight voting members. We are hosting the 2019 Service Workshop in Ocala, FL. Look for Chairperson Katy M at Assembly as she will be selling tickets for the Event!

Our District held a workshop in March "Finding a Sponsor" with AREA Members making up our panel. We are planning to do a Workshop soon on "Conflict Resolution" and possibly combine with two other Districts.

Our Literature Thought Force is now a Task Force and we are looking forward to having CAL for groups to purchase soon

Alateen group continues to draw new members with several kids Parents driving over 50 miles to come to the Alateen meeting.

In Gratitude to all Al-Anon members in District 1 and AREA 9.

Looking forward to seeing everyone soon!
