

District 2

For our report I've copied an excerpt of our first district communication. It gives an idea about what is new in our District.

A few items I'd like to do as a District in 2018 are:

- 1. read the 2018 Service Manual. Before you fall out be informed the Service manual is only 232 pages, less than one page a day. I've attached the first section to discuss on January 13. The idea is to read before the meeting and discuss at the meeting.*
- 2. discuss the Twelve Steps, Traditions and Concepts over the next three years, one per meeting for 36 meetings, and I'd like for an experienced non-district member to share 10-15 minutes at each D2 Meeting speaking on the Legacy we are discussing.*
- 3. Make the first half-ish of the District Meeting a D2 AFG meeting and the second half the business meeting. Topics for the AFG will be our Legacies, working the Legacies in our Groups, in our families and outside the fellowship, and GR struggles, successes, feelings, fears, thoughts, ideas, etc.*
