

**DISTRICT 2
SPRING ASSEMBLY 2018 REPORT**

Beginning in January, with our newly elected service positions, we started a new meeting format. District 2 is geographically quite large. We meet monthly on the 2nd Saturday, and decided to alternate among three cities. Gainesville, Ocala, and Lake City. So far, we have held 2 meetings in Gainesville and 1 each in Ocala and Lake City. All meetings have been well attended.

Our new format of including a one hour AFG meeting to discuss the twelve steps, traditions, and concepts over three years, has been well received. We include a speaker for the legacy we are discussing. The second hour of the monthly meeting is our business meeting.

We continue to hold AMAIS training following each meeting. This year 8 have received training, including 6 new people.

We have 3 new meetings in D2 since the beginning of the year, in Gainesville, Lake City and Citra. This brings our total number of meetings to 33, including 2 beginner meetings and 2 Al-Ateen.

Our newly elected treasurer moved out of state and therefore had to give up her service position. A member stepped up at our April district meeting to take over the position, so we now have our second treasurer. We are currently in the EIN process and plan to open our new checking accounts using the EIN.

We are excited about the 2018 Spring Assembly. Please view our web site at
