

## **District 4 Combined District Representative and Area Information Service Liaison Report**

### **“Ode” to District 4**

District 4!

We have more - - -

Distance north to south than east to west.

St Augustine our new DR (Sandy) loves best.

More members and meetings around Daytona, though -

It could be our capital, don't cha know.

Betty Ann and Sandy are just getting started

Give us a chance, we will get it charted -

So - please - we ask that you accept our verse

As reports go ---- it could be worse - - -

Here's an intro to AI Anon and Service in our District

From the servants our District GR's picked:

Meeting-wise, 34 - it's a snap!

Very proud we are of our interactive web map.

Website revision: a major undertaking

Panel 55 panel's credit in the making

Panel 55 also produced an outreach project widely seen

A flashy billboard on a bridge! More visibility - we are keen!

County-wise, we number four

St Johns and Volusia, take the tour

Nights of Lights, just ending

St Augustine, its history vending

Daytona has that race track and bikers

Those times each year, it's all about drivers

And Putnam county --- 2 meetings there

The reach extends of AI Anon's care

Flagler county is really growing!

Current home of District meeting - bestowing

A fairly central meeting hall

More fun, more fellowingship is the rallying call!

Good news: Our outgoing DR Lucy lingers  
As secretary we have her fingers  
In the service pie  
To our good fortune - - - 'tis not a lie!  
Betty Ann - our new AISL  
Moves from District treasurer, she is swell!

So many stayed active from Panel 55  
Still on board, keeping us alive!  
But many new faces  
Our District meeting graces  
Only a few District positions yet to be filled  
Of course, we know this is HP-willed

There is one thing we all know  
In Our hearts and minds and souls

**Panel 58**

**Will be great!**
