

**District 4 Report- - - North Florida AFG Area 9 - - - Panel 58
AWSC Meeting - - - February 2 – 3, 2019**

DISTRICT INVENTORY

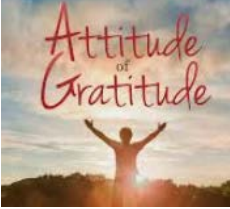

At our January 2019 District meeting we welcomed Diane C., North Florida Area Chairperson, as our special guest to guide us in a **District Meeting Inventory**. Diane will return in February to provide results. Then, in March, members of our District will meet to discuss Action Steps based on Diane’s feedback. -----

PUBLIC OUTREACH

Despite only recently having someone step up for one of the three PO chair positions in our District, individuals have been participating in **public outreach** throughout our District. Recently, as a District, we are taking a different approach by establishing an “ad hoc” committee to identify events, activities and outreach agencies to discuss and support each other and perhaps to continue as a “thought force” to develop an approach to outreach that works for our District. -----

GRATITUDE DINNER

Members rallied to put together a fabulous **Gratitude Dinner** held at the Fellowship Hall of the Santa Maria Del Maria Catholic church in Flagler Beach. We had delicious food, a very successful raffle, along with both AA and Al Anon speakers. Over 100 folks were in attendance. -----

ALATEEN

The Monday Night “Sereniteen” **Alateen** meeting that began as a once-a-month start-up has been expanded to meeting every week! We currently have 11 AMIAS’ and a number of folks have expressed interest in training. We are looking forward to Alateen expanding in our District! -----

EMAIL SECURITY

Upon advice from our web chairperson, DR (Sandy) has switched to sending our group emails through MailChimp – which is one company (**free**) that provides **extensive email security measures**, as opposed to Google or other email services. Our District email list has 76 members; our District meetings average about 30+ attendees.

Respectfully and joyfully submitted, Sandra F. (Sandy) District 4 Representative and Betty Ann B., DISL January 23, 2019
