

District 7 Report for June 2019 Assembly

Greetings from District 7! I regret that I will not be in attendance at the June Assembly, but have great representation from Heather D. in my absence!

District 7 continues to hold monthly meetings on the second Saturday of each month but will be passing in June due to Assembly.

Our 2019 Convention committee is diligently working on tying up loose ends and finalizing the preparations for the upcoming convention. **Please help support this event** by registering and attending yourselves, and announcing this upcoming convention and encouraging members to register, volunteer, and attend. It is by giving in this program that we receive more than we can ever **“Imagine!”**

Yours in Service,
Tina D7 DR

AISPC – District 7, Panel 58 DISL, Kimberly S. (Pinellas County, Florida)

I support and provide information to chairs in District 7.

Positions:

Out of fifteen positions, we are pleased that eleven are filled with only four open. Of the four, we have an *interim* Web-Keeper remaining in service. Our former AL-ANEWS chair willingly continued until another member stepped up.

Announcements are made at monthly district meetings, within groups, on our website and within the monthly newsletter.

Communication:

Most chairs provide both written and oral reports at our monthly meetings.

Challenges and Successes:

District 7 chairs are on track.

Cooperating with the Professional Community (CPC), Public Outreach and Institution chairs serve as a team, as well as independently, increasing Al-Anon awareness in schools, institutions and events within the community.

We have a strong group of chairs serving District 7 and Area 9.
