

District 5 Report

It is hard to believe almost 3 years have gone by and Panel 61 will be coming to an end. This has been a wonderful learning experience being the District Representative for District 5. From having ZOOM meetings back to face-to-face meetings and working through our COVID fears. We have had groups close and groups that are a lot smaller. Hopefully we are on the road of growing again.

This year we planned three events. We started with our picnic at the end of April. We rented a larger pavilion as we felt we were too crowded at the last picnic in November 2022. It was a successful event. On September 23, we held our Day of Workshops. Another successful event with 9 workshops covering the Al-Anon legacies. Our last event this year is still in the planning stages. We are combining our Gratitude and Holiday Luncheon. This is scheduled to take place on December 9 at Faith Evangelical Presbyterian Church in Brooksville. Our next and last district meeting of this panel will take place on October 21. We will have our election for Panel 64 and finalize our luncheon plans.

We also participated in a public outreach event in New Port Richey. It is the third year our district has participated in this event. I have not gotten a report as to how it went. Corrine D. is our public outreach person and this is her third year handing out Al-Anon information.

It has been a pleasure and honor serving as the District Representative of District 5 and also meeting the wonderful people in Area 9.

Jennie W.
