

GROUP RECORDS REPORT JUNE ASSEMBLY 2019

Hello All

Again thank you for allowing me to serve in this position.

Updates for Group Records have greatly increased the last few months with an average of 30 or so weekly.

WSO is revamping the Group Records form there is as of now No release date for the new one.

In the meantime updates can be sent to me and I will enter them.

At present we have 561 Listed Groups for Florida North of these

- 21 are marked for deletion

- 6 marked not meeting

- 18 marked no mail

- 99 marked inactive

Leaving 407 actual meetings

I am endeavoring to send out monthly updates per WSO

I encourage all district group records chairs to check these carefully for any errors

More changes are anticipated from WSO with regard to the GR Forms will keep you informed

There is a tutorial on the Area 9 website w regard to the using the WSO site to update group record - will amend as needed pending the changes from WSO w the GR form

Hugs

Sue
