

## Area Insurance Task Force Report

Task Force Members:

- Sheri D, Chair
- Madelyn I
- Eleanor J
- Llew E

Hello Panel 58,

We were tasked with trying to find and secure new General Liability insurance as well as a Board of Directors policy.

To date we were successful in securing 1 board or directors policy quote and 1 general liability quote. We are still analyzing the total coverage and comparing with the previous policies.

At this time, we have not concluded our task force. We will continue to look at the coverages and see if we can obtain any other quotes for comparison and will provide a final report for AWSC in August.

Thank you,

Sheri D
