Book Report

— — —

I'm completely enjoying the newest book, *Intimacy in Alcoholic Relationships (B-33)* It is full of many member's sharings on different aspects of intimacy. Many shared a lack of real intimacy as a child leading them to have little or no understanding of it in their adult lives. Another common theme is that of learning real intimacy through a new found relationship with their sponsor. Each Chapter ends with a list of questions designed to help you understand your own feelings and behaviors of Intimacy.

Most of all I'm grateful for a deeper understanding of what intimacy is to me and how it can grow in many areas of my life. It already has and I have a desire to welcome even more of it.

I hope you enjoy your newest piece of C.A.L. (Conference Approved Literature) Please consider writing your thoughts and submitting it for our new Daily Reader still being written.

Contest Time:

For this contest all the work comes after you win! I'm offering to each District the chance to win the newest piece of C.A.L. (Conference Approved Literature).

INTIMACY IN ALCOHOLIC RELATIONSHIPS

The winning District takes the book back, raffles it off in your District and brings from the local winner a book report about the newly won literature. This we will share at the next Assembly. Nothing fancy is required, anyone can write down what they think of this new book.

Courage to Change was the best selling book in 2017 / What is your favorite piece of CAL?
