# Newer Stuff!

Our new bookmark is available as of April 2019 as M-81, it is \$0.10 / each Whoop Whoop! I'm very excited about this one! Great for outreach, it may become my new favorite!

This bookmark was conceived as a Forum article in the August 2016 Edition.

Have you gotten a copy? Have you chaired a meeting on it? Was it well received? Please write a review and let WSO know what you think.

Our newest book, Intimacy in Alcoholic Relationships, (B-33) has been translated and is now available in English, Spanish and French.

This is the book that the next Forum is trying to get sharings on. Please send yours right away!

# NEWEST Member Blog

This gives you a chance to share your Experience, Strength & Hope in an instant format. This will also serve as a source for collecting writings for future publications.

This month we're asking you to share on your favorite Al-Anon spiritual principles and why.

I think mine will be, "Together We Can Make It" Because without the love and understanding of my sponsor and program friends, I'm not sure I could.

Please visit the new Member Blog at:

# New Daily Reader - So new, it's not done yet!

Our new daily reader is still being written. Please consider writing your experience of using a specific Step, Tradition or Concept in a sharing for this new dynamic publication.

We are not cut from a cookie cutter. Please share what is special about you. When I share things that make me feel vulnerable I notice others feel welcome and accepted. We all seem to have an “un-told” story. I believe I am as sick as my secrets. Open communication allows love’s light to heal the hidden wound. Writing anonymously allows us to test the water. We are as similar as we are different.

Here is a link to a guideline for this writing:

# Alateen Talk

This amazing publication is intended to reach our teens. It's been redesigned and a whole year's subscription is only \$2.50!

You can even buy an annual subscription of 10 copies of each quarterly mailing for only \$7.50! Certainly, a great idea if you work with any teens.

I recommend you ask your group to subscribe and send home the Alateen Talk to group members with children. Get yours here:

# The Forum

We need your journey sharings for the Forum. We have a writing workshop scheduled for the Alateen Round-UP! Alateens and Al-Anons a like are welcome!

You still may participate at home, in your home group, or even a small group of 2. You may use the same power point presentation found on the Literature page of our Area website: <https://www.afgarea9.org/literature-coordinator.html>

“What’s your Story?”

It’s now very easy to submit your sharing on line at the WSO website:
