

Public Outreach Coordinator Report
AWSC - August 17 & 18, 2018
Panel 58

Hello Panel 58

I am grateful to report that we were able to send 1,000 copies of the “An Open Letter to an Attorney” (OL-#) to place in the registration bags for the annual Florida Bar Convention in July. We also sent out packages to each of the Bar’s in each District. .

This weekend we have a table at the Florida Nurse Practitioner Conference here in Orlando the weekend of AWSC - August 16 - 18, 2018.. I special thank you to district 10 for covering the table on Staurady during AWSC. Also we will place “An Open Letter to the Doctors” (OD-2) in each registration bag for this event.

Thank you to all who participated in the online survey. We found the the number one area YOU in Area 9 would like to reach out to is the school system. Second is to healthcare professionals - especially in the rehab and mental health area. We hope to focus in those areas in 2019.

Another area of Public Outreach that has been very successful in other Area’s is presence at the State Fair. The 2019 Florida State Fair is February 7 - 18, 2019 at the Florida State Fairgrounds in Tampa. The approximate cost for an outside booth with electric is \$300.00. We feel after researching this would be an great opportunity to reach many people at a very reasonable cost. Please note that we would need to tell the Fair Administrators when we register exactly what literature will be handed out and we must stick to that only.

I am ever grateful to be of service to this wonderful program that has given me so much.

Love in Service,

Theresa R., Public Outreach Chair Panel 58
