If you are attending an AWSC meeting, do NOT make reservations directly with the hotel. Instead, send your full name, your arrival date, how many nights and your roommate to the Area Chair for inclusion on the Master List.

If you are attending the Assembly as a member of the Area Panel (Officer, Coordinator, Past Delegate, Event Chair, Registration or Hospitality) then please use the AWSC procedure: email the Area Chair with your meeting information.

Group Representatives, District Representatives, AISL and other District GIPs will be making their own reservations in the traditional way.

Look for Assembly Reservation Information on the website.

Please contact the Area Chair with any questions: chairperson@AFGArea9.org
