Area Technology Coordinator Report

AWSC - February 2020

*Welcome
to a new
decade!*

I am already learning
something new by creating this
report with a design software
I've never used before.

*What will you
conquer this year?*

WEBINARS:

RECENTLY COMPLETED:

#14 - Creating a Flyer

#15 - Google Drive (Intermediate)

COMING SOON:

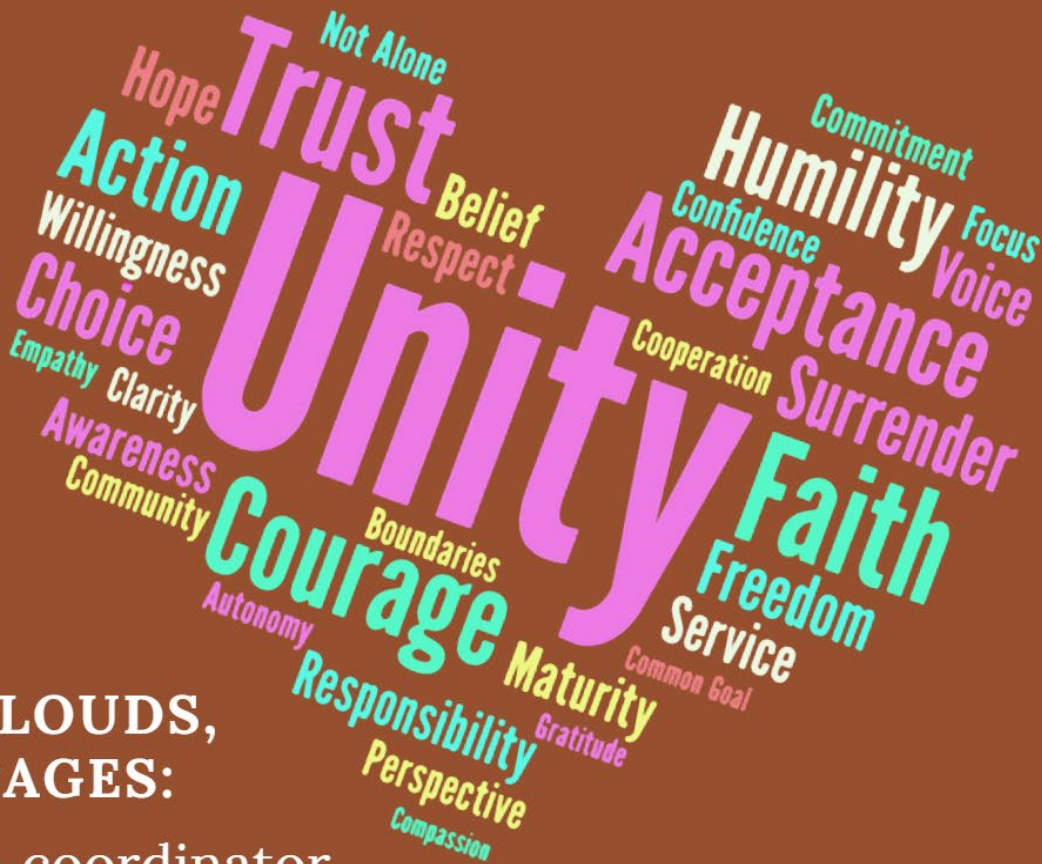

Gmail (Intermediate)

Area 9 Website (Behind the Scenes)

Google Docs (Advanced)

Google Slides (Advanced)

Hopefully we'll see this "Legacies" heart word cloud (from our recent Area Service Workshop 2019) in *The Forum* since I've submitted it to WSO per our Area Literature Coordinator's suggestion!

DISTRICT WEBMASTER MEETINGS

We had a great lunch at the 2019 Area Convention. It was fun to see each other in person, so I'll schedule one again at the 2020 Convention!

The next video conference call with all the District Webmasters will be in April so we can share tips, struggles, and successes!

AMIAS ONLINE TRAINING

The 1-year trial has officially began of online training for AMIAS for which I am the Administrator of all the user accounts. However, if you want to be an AMIAS, or are just curious to see the training in this *new* way, please contact the Area Alateen Coordinator first at: alateen58@afgarea9.org

ELECTRONIC VOTING

I'm excited to announce that at this AWSC, we'll be doing a test run of electronic voting! This will be done selectively at the meeting to determine if this type of platform would be good for the Area going forward.

WEBSITE ACCESSIBILITY

Per a discussion lead by WSO's Webmaster, I'm looking into how the Area 9 website can be accessible to everyone, including differently-abled individuals. More to come on this!

*All suggestions
are welcome!*

IF ANYONE IS INTERESTED

in stepping up for the Area Tech Coordinator position in Panel 61, I've already started putting together a Turnover document and some "how-to" videos to help with the transition.

"...we meet as equals
and help one another, not
because some are experts
and others are learners,
but because we all have
needs and strengths."
